MCDT

DOWNDRAFT TABLE

APPLICATION RANGE

- Welding, grinding, deburring of all types of metals.
- Suitable for other types of applications such as plastics processing.

Ideal for

Metal

Welding

Plastic

Fibreglass

Carbon Fibre

Silica

Paper

Wood

TECHNICAL SPECIFICATIONS

Outlet Diameter	Work Surface	Dimensions	Dimensions w/side panels	Weight
(mm)	(mm)	(l x w x h) (mm)	(l x w x h) (mm)	(kg)
160	1200 x 700	1280 x 840 x 800	1280 x 840 x 1600	120

FEATURES

- Expandable components
- Side panels
- Back wall extraction
- Cover on top (lid)

BENEFITS

- Extraction directly at the workstation
- Compact solution
- For variable use
- Easy disposal of coarse dust
- Requires extraction unit connection to main line
